

**REDLANDS
COLLEGE**

CAMP PROGRAM OVERVIEW

CAMP PROGRAM

Redlands College provides a camp program for all students from Year 4 to Year 11 (except Year 10). The cost of this camp program is included in student tuition fees and all students are expected to participate. The Camp program is a core component of the educational learning program. There is a recognition that a small number of students will not participate as a result of behavioural, social/emotional or medical contexts.

Key Purpose: The camp program is designed to provide intentional contexts to express the College Learning Model:

- Learning that is **centred** upon a Christian worldview,
- **Global** in its perspective,
- **Intentional** in its pursuit and
- **Relational** in its approach.

This is achieved by utilising off-site residential locations to intentionally develop *Curious Minds, Loving Hearts, Serving Hands and Purposeful Lives* – through the three vehicles of *Challenge, Community & Transformation*.

The College program is a camp program, not an outdoor education program. The Duke of Edinburgh scheme provides an optional user-pays outdoor education program for approximately 160 students from Years 9-12.

The Camp Program includes the following camps, as well as additional outdoor education options:

Year Level	Length	Approx Date	Location	Group	Optional Outdoor Education Programs
