## UNIFORM COMPLIANCE

The public image of the College depends to some extent upon the appearance of our students. All students are required to adhere to the College dress code not only while at school but on the way to and from school and at any time the uniform is worn.

When students wear the uniform correctly, they present a favourable image to the public; the tone of the College is maintained at a high level, students develop a high self-esteem and pride in their College and a high standard of College spirit is maintained.

To ensure compliance with College uniform policy, please refer to [redlands.qld.edu.au/our-community/for-parents/policies-and-forms/](https://redlands.qld.edu.au/our-community/for-parents/policies-and-forms/) for both the Student Uniform procedure, and Junior, Middle and Senior School handbooks.

## FURTHER UNIFORM INFORMATION

Uniform price lists, recommended order quantities and instructions for how to place an online order are available on the College website at:

<https://redlands.qld.edu.au/our-parents/uniforms/>

The College does not have a second hand uniform facility. There is a parent run Facebook page to connect families wishing to buy or sell good quality second hand uniforms, and there is no official governance. It can be found if you search "Redlands College Second Hand Uniform Community". The page is a closed group which is administered by volunteer parents, so please be patient as requests for joining the group are processed. There is also a privately run second hand uniform business at Thornlands called 2nd Go Uniforms. More information is available at [2ndgouniforms.com.au](https://2ndgouniforms.com.au).
