## GENERAL:

Ensemble activities and events are planned to keep to a minimum to avoid conflict with exam blocks and other College events wherever possible. In consideration of those students and families who participate in multiple ensembles, the performance events are spread to minimise overload during busy periods. Our emphasis in weekly rehearsals continues to be on the development of musicianship, theory and ensemble skills, as well as on preparation for performances.

## YOUR COMMITMENT:

**Please remember that by signing an Ensemble Agreement, students are committing to ALL of their ensemble's rehearsals and events/dates as shown in this Calendar of Events. Should a student need to be absent from a rehearsal or performance due to illness or another valid reason, the ensemble conductor requires written notice of their absence *as far as possible in advance* (refer Terms and Conditions of the Ensemble Agreement).**
