

SPORT AEROBICS COMPETITION TEAMS 2021

We are excited to announce that Redlands College will be offering a competitive Sport Aerobics program for 2021.

Sport Aerobics is a fast pace, energetic dance style that is great for fitness, coordination and strength. In teams, it helps develop confidence, cooperation and school pride.

Redlands College in partnership with Dance by Brooke Cassar are thrilled to be providing this program to Redlands College students and are excited to see the students represent their school to the best of their ability.

The following package outlines the information you will need to consider in regards to the competition season, and the commitments involved in taking part in an aerobics team. Please read this information very carefully, and be sure to contact us if you require further details or assistance. The children will train to represent their school in the FISAF Schools Stream Sport Aerobics Competitions for 2021.

FISAF (Federation of International Sport Aerobics & Fitness) Australia runs regional, state and national events across Australia. Please click [here](#) to view the FISAF School Stream short video.

In the event that teams from Redlands College do qualify for the National Championship event in August, the following extra training and costs would apply for those teams:

5 WEEKS OF EXTRA TRAINING (FINAL WEEK OF TERM 3 AND FIRST 4 WEEKS OF TERM 3 ONLY) - \$80.00

National Championship entry fee \$30-\$35 per child (determined by numbers of children in a team)

Compulsory Nationals DVD & Photography levy (supplies all students with digital footage of their routines at Nationals as well as access to the professional photos). \$20-\$30

Possible total Nationals additional cost: \$145

COMPETITION TEAM EXPECTATIONS

Please ensure your child understands the commitment they are making to their team and their training sessions.

If your child commits to a team, they are committing to that teams set training sessions. Teams cannot compete if they do not have the required number of competitors, so competition attendance is vital.

If you require any more information regarding competitive teams please email info@dancebybrookecassar.com.au.

We look forward to an exciting 2021 competition season!

PERMISSION FORMS ARE DUE BACK NO LATER THAN 12 FEBRUARY 2021 PLEASE RETURN VIA EMAIL.

REDLANDS COLLEGE - COMPETITION AEROBICS TEAM PERMISSION FORM 2021

I (parent\guardian) _____ give permission for my child _____ to be a member of Redlands College Aerobics team coordinated by Dance by Brooke Cassar. I also understand the commitment my child needs to make to be a part of their team. I understand that payment is required prior to my child participating in this activity. I am also aware that my child is required to purchase a team costume for competitions and that there are further costs associated if my child's team qualify for the National Championships in August, that are not included in the initial fees.

PLEASE FILL OUT CLEARLY:

Students Name: _____
