Relevant clauses: 1.13 – 1.20

## 1. Policy

Complaints and appeals are managed by the RTO in a fair, efficient and effective manner. The RTO will create an environment where learner's views are valued. This policy and procedure will be made publicly to the School/College community by being made available on the RTO's website and intranet and in materials provided to learners on commencement of enrolment. In the case of delivery through third parties, the material will be made available to the learners through the third party.

Redlands College ensures that all complaints and appeals will be heard with resolutions reached within 60 calendar days where possible. In the case of the time frame being longer than this, the RTO will communicate with the complainant/appellant why the process is taking longer and an estimated timeframe for resolution as well as being kept informed regarding ongoing progress.

Details of all complaints and appeals will be securely maintained in a Register of Complaints and Appeals and will take appropriate corrective action to eliminate or mitigate the likelihood of reoccurrence.

The RTO will ensure that the principles of natural justice and procedural fairness are adopted at every stage of the complaints and appeals process.

A **complaint** can be made to the school RTO regarding the conduct of:

- the school RTO, its trainers, assessors or other school RTO staff
- students of the RTO
- any third parties providing services on behalf of the school RTO (if relevant).

Complaints may be made to any member of staff.
